

# Learn About Commandments

Commandments are rules that God has given us to follow. Obeying commandments does not earn our way to heaven, but it pleases God. Jesus gave us two important commandments, and God gave the ten commandments to Moses.

## Jesus' First Commandment (Loving God)

**Love the Lord** your God with all your **heart**, with all your **soul**, and with all your **mind**. Matthew 22:37

## Ten Commandments 1 - 4 (Loving God)

Read each commandment, and decide if each example shows obeying or disobeying the commandment.

### 1. **Worship only God.** (Exodus 20:4)

#### 2. **Do not worship idols.** (Exodus 20:7)

In Bible times an idol was a statue that people believed was a god and worshipped. But an idol can be anything that we make more important than God.

### 3. **Don't use God's name in the wrong way.** (Exodus 20:8)

Using God's name as a bad word or in anger is using it the wrong way.

**+** = using God's name the right way; **X** = using God's name the wrong way

### 4. **Keep the Sabbath day holy.** (Exodus 20:9)

In Bible times the Sabbath was Saturday, but now we use Sunday as the day of worship and rest.

**+** = keeping Sunday holy; **X** = using Sunday the wrong way
